This is the third group show and after the response to the Education Kit in 2022 for Secondary Schools (Focus: Stage 6 Society & Culture, Religion & Visual Arts), I decided it was relevant to increase our Engagement Program for 2026.

Education Kits

In 2026, we offer free downloadable resources in the form of 2 Education Kits:

1. Secondary Schools (Focus : Visual Arts Stage 5 & 6)
2. Conscious Communities

All three resources offer access to Spiritual themes, with authentic art practice connections. These can be accessed via the website – www.spiritualselfandsoulspace.com

The website introduces each year's participants, and logs the history of group shows. This allows those who have not attended to view past and current work.
