This is the third group show and after the response to the Education Kit in 2022 for Secondary Schools (Focus: Stage 6 Society & Culture, Religion & Visual Arts), I decided it was relevant to increase our Engagement Program for 2026.

Education Kits

In 2026, we offer free downloadable resources in the form of 2 Education Kits:

1. Secondary Schools (Focus : Visual Arts Stage 5 & 6)
2. Conscious Communities

All three resources offer access to Spiritual themes, with authentic art practice connections. These can be accessed via the website – www.spiritualselfandsoulspace.com

The website introduces each year's participants, and logs the history of group shows. This allows those who have not attended to view past and current work.

The Engagement Program

There will be two free Soul-based Meditation group sessions throughout the exhibition, accompanying Kids-related activity for those attending for Conscious Families, as well as bookable events and a Metaphysical talk hosted by Sue Bishop.

Please see the website for details.

On Saturday 26th September, the precinct is also celebrating with Cultural Mix as part of an active Wollongong, CBD. This coincides with our gallery-based meditation session and also our Opening Night from 5pm.
